

# Our purpose

We invest to build a *sustainable future* and grow thriving economies.

## About us

**Founded in 1984, Foresight is a leading investment manager in real assets and capital for growth.**

Across our three divisions, Infrastructure, Private Equity and Foresight Capital Management, we invest in building cleaner energy systems, decarbonising industry and growing the economic potential of ambitious companies.

Foresight's decades of investment experience and hands-on approach help us create and maximise overall value and provide attractive returns to our diverse institutional and retail investor base across a broad range of fund strategies and investment structures.

This diversified business model and strong track record of innovating products, scaling investment funds and delivering profitable growth have demonstrated resilience, efficiency and strong financial performance through economic cycles.

Together, we are united by a shared commitment to build a sustainable future and grow thriving economies.
